ENGINEERING DEPARTMENT.

KOLAR DIVISION.

Dated 16th April 1928.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 2 P.M. of 30th April 1928, for Construction on an additional block of buildings to the High School at Kolar. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 30th April 1930.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of rupees one thousand and five hundred only in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for Construction of an additional block of buildings to the High School at Kolar," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The tenders must quote specific rates for each item of work both in figures and words.

10. The tenders stating that the work would be executed at a certain percentage in excess of or lower than the estimate will not be accepted.
